

Getting Set Up on Showbie

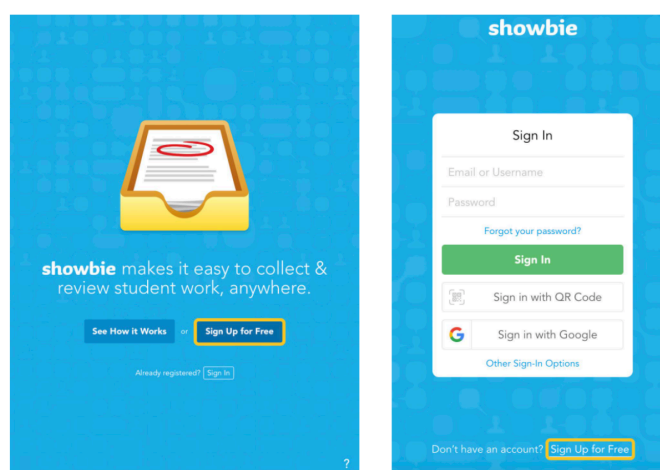

To sign up to Showbie you will need a unique Parent code. Your Parent Code should have come home with your child last term.

If you have your parent code but have not signed up yet, [check out this guide on how to use your parent code](#) or follow the steps below to get started

If you have not received your letter or Parent Code or no longer have it please email Mrs Holliday at gw14hollidaylinzi@glow.sch.uk and she will reply to you with your joining information. *Please note that if you have previously been connected to your child on Showbie for P7 that you may need to sign out and back in again to add them as many accounts have had to be reset.*

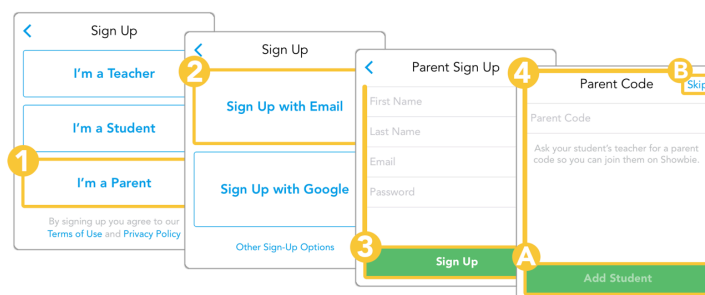

Use Showbie to connect with your child and keep updated on their school work!

Showbie can be used on an iOS device or the web app through any web browser. Install the [Showbie app](#) or go to my.showbie.com to get started!
